

# STEINA® Alkyd-Reinforced Solid Stain for Exterior Wood

**PROUDLY CANADIAN** 

A 100% acrylic solid stain reinforced with alkyd for unmatched opaque protection for decks, fences and siding.

---

### 100% Alkyd-Reinforced Acrylic Formula

Combines the flexibility of acrylic with the enhanced durability and adhesion of alkyd technology.

### Superior Abrasion Resistance

Designed to withstand wear, foot traffic, and everyday exposure to the elements.

### Deep-Penetrating Protection

Penetrates deep into the wood for longer-lasting protection and performance.

### Ideal for Decks, Fences & Siding

Perfect for a wide range of exterior wood applications.

### Also Suitable for Metal & Vinyl Surfaces

Versatile formula adheres to metal and vinyl substrates.

## Product Features & Benefits

### More Competitive Retail Pricing

Lower dealer cost and suggested retail price compared to our existing STEINA® Solid Stain.

### 100% Canadian Formulated & Manufactured

A strong point of differentiation that resonates with contractors and homeowners looking to support Canadian-made products.

\*Launch offer valid from June 15 to July 31, 2026, or while supplies last. Net 60-day terms. Full cases only. Offer cannot be combined with any other promotion, rebate, or discount. DFM reserves the right to modify or cancel this promotion at any time without notice. Limit one (1) order per store. To qualify, the completed offer form must be submitted to [info@distdfm.com](mailto:info@distdfm.com)

### Same Tinting System Compatibility

Bases are dosed exactly like our existing STEINA® Solid Stain, allowing you to continue using the same colour recipes with PPG, Gennex, and Colortrend recipes.
